

A modern kitchen interior featuring large, rectangular sedimentary stone tiles in shades of grey and white. The tiles are used for the floor, the lower half of a central island, and the backsplash. The kitchen has light wood cabinetry, a white countertop, and a brass faucet. A large window on the left shows a green outdoor space. A dining table with a light wood top and black legs is partially visible on the left. A black metal bar stool is positioned next to the island. The ceiling has exposed wooden beams.
